MR. BANG

Mr Bang is a metropolitan clown who makes fool of our post-modern society where mass media seem to force us to live our lives in the belief that our neighbours could be dangerous, thus making us suspicious of each other while increasing our fear and helplessness.

Mr Bang 's mission is to laugh in the face of fear in order to make it disappear thanks to his smokey tricks, explosive artistry and his very own psycho-romantic comedy .

Synopses

Mr Bang, Terrorist of laughter, the laughing terrorist, terrorist for laughter, terrorist for a laugh!!!

He loves all that bangs! He is the Punky Clown who, wherever he is, brings the energy of his inimitable laughter!

Born in France he grew up in England and from there travelled the globe.

Fr Dubai to South Africa, Australia to India, South America to Italy he charms everyone with his absurd, psychedelic and post-romantic antics, smokey tricks and Explosive Comedy!

An extraordinary Character, he knows how to keep his audience on a very tight rope, always just on the edge !

His mission?

To make you laugh in the face of Fear and to share with you the tricks to make Fear disappear.
